CKW & ASSOCIATES MANAGES CONCEPT TO OPENING

Cobb County Specialty Pediatric Medical Practice Opens New Facility

ATLANTA, GA, July 20, 2010 – Children’s Orthopaedics of Atlanta opened a new location in Marietta, Ga. Expanding to meet the needs of a growing pediatric community, this is their fifth location in Georgia. Construction management by CKW & Associates, LLC ensured the project was completed almost three weeks prior to move in and significantly under budget. Project Architect was Peacock Architect and General Contractor was Peacock Builders.

The new office totals almost 6,000 square feet of medical space including 15 exam rooms and x-ray facilities. Children Orthopaedics of Atlanta in Marietta is located at 175 White Street, Suite 200, Marietta, Ga.

"We have a long standing relationship with Children’s Orthopaedics of Atlanta. As their partner for build-outs and development projects, we are able to help them expand quickly to meet the needs of patients and families they serve," said Todd Cohen, principal with CKW & Associates.
