**CKW & Associates** is pleased to announce we have been selected to provide Construction Management Services for a new **30k square foot expansion for Radiant Systems** in their Alpharetta Warehouse facility.

**Radiant Systems** is a Point of Sale provider for users of Hospitality, Retail, Petroleum, and Sports/Entertainment. Radiant Systems International Headquarters are based in Alpharetta, Georgia and have offices in Memphis, Fort Worth, Huntington Beach, UK, Czech Republic, Austria, Singapore, Shanghai, and Australia.

The expansion project has a goal of expanding their warehouse facilities as well as providing additional space for their Marketing division. Construction is set to commence in April and completion is set for Fall of 2010.
