Clinic Expansion and Relocation

Premier Care for Women has invested more than \$600,000 in a clinic relocation and expansion.

The gynecology clinic has opened a more than 11,000-square-foot office that includes 18 exam rooms, two procedure rooms and an ultrasound and bone –density room.

The new space, at 960 Johnson Ferry Road N.E., suite 400, is more than 20 percent larger than the previous location. The clinic, which employs nearly 30, expect to see 25,000 patient visits in its first year, according to a spokeswoman.

Design and construction of the new medical facility was managed by **CKW & Associates, LLC**.
