Todd Cohen, who has significant Real Estate and Project Management experience, started CKW & Associates, formerly CK Construction Management, LLC in 2004. As a partner in the firm, Todd brings over 17 years of strategic depth and breadth to the company's brokerage, development and project management services.

Before starting CKW & Associates, Todd joined KPS, LLC in 2002 as a Partner to offer Real Estate and Project Management services to the office and medical community. Prior to joining KPS, Todd served as Real Estate Manager for Cox Enterprises where he was responsible for the planning and administration of Cox's real estate portfolio in the Western third of the U.S. While under his management, this four million plus square-foot portfolio included five different companies and was valued at more than \$700 million. Prior to Cox, Todd worked at Cousins Properties Incorporated, where he was responsible for implementing more than \$15 million in interior design and construction for 10 medical office buildings. Todd also worked as a Project Manager for the Griffin Construction Services and Gilbane Building Company, where he managed more than two million square feet of construction valued at more than \$200 million for retail, commercial and institutional users.

He holds a bachelors degree in Architectural Engineering from the Pennsylvania State University and a Masters of Business Administration degree with a concentration in Real Estate from Georgia State University and is a licensed Real Estate Salesperson in the State of Georgia.

Todd is a member of the Medical Consulting Group of Georgia and sits on the Board of Directors for the Georgia Center for Child Advocacy. He, his wife Sharon and two children live in Dunwoody, GA. He enjoys golf and travel.
